

Corporate Patron Program

THE
MET

With over 5,000 years of art from around the world, The Metropolitan Museum of Art is a unique resource for everyone to experience and enjoy. The Museum lives in two iconic sites in New York City—The Met Fifth Avenue and The Met Cloisters. Since the Museum was founded in 1870, it has aspired to be more than a treasury of rare and beautiful objects. Every day, art comes alive in the Museum’s galleries and through its exhibitions and programs, revealing new ideas and unexpected connections across time and cultures.

The Corporate Patron Program, led by the Museum’s Business Committee, has been a vital source of operating support for The Met since the Program’s establishment in 1976. This crucial partnership with the corporate community allows The Met to continue offering its unparalleled programming to millions of annual visitors.

In appreciation of their generosity, Corporate Patron Program members receive significant benefits and exclusive access to the Museum—from free admission for employees to private tours of the collection, invitations to exhibition previews and receptions, and opportunities to entertain in The Met’s incomparable spaces.
